Notes:

\*\*\* All titles and positions within organized research units (ORUs) and multi-campus research units (MRUs) are now categorized under the Office of Research Affairs. The exceptions are research centers and institutes that are non-General Campus and are based in the divisions (i.e. Moores Cancer Center, etc.)

1: The Office of Research Affairs is the office of record for post-doctoral scholars. PPS data (for title codes 3252, 3253, and 3254) was used to determine the post-doctoral personnel headcount.

2: Figures for visiting scholars are provided by the Office of Research Affairs

3: The following title categories have been removed due to vacancy as a primary appointment in two consecutive years: University Librarian - Associate; Research Specialist - Junior

4: The Office of Graduate Studies is the office of record for graduate student. PPS data was used to determine the total number of graduate students with academic titles. Divisional allocation of this title series is based on the funding source for the primary position held by the student. OGS maintains a headcount of graduate student in academic titles, accounting for only graduate students supported as GSRs or ASEs (TAs, Reader and Tutors) at a level high enough to earn tuition and fee remission as a benefit of employment. Please contact Kathryn Murphy in OGS for those numbers
