LEARNING PLAN AGREEMENT
Responsibilities of the Supervisor and the Student

The Supervisor’s Responsibilities

✓ Develop project/apprenticeship assignments that are substantial learning experiences. These assignments should keep clerical duties to a minimum
✓ Ensure that the student has met with the Academic Affairs Apprenticeship Program Coordinator to process paperwork to finalize the appointment
✓ Establish learning objectives through the Learning Plan Agreement that identify specific responsibilities and measurement standards for success
✓ Provide the resources, equipment, and workspace that are necessary for the student to perform duties
✓ Provide adequate training and guidance for the student to complete assigned projects
✓ Establish a clear understanding with the student on university policies (confidentiality guidelines, dress code, work hours/schedule, etc.)
✓ Reflect upon and evaluate the work experience with the Academic Affairs Apprenticeship Program via the Apprentice Performance Appraisal Form and the Program Appraisal Form

The Student’s Responsibilities

✓ Meet with Academic Affairs Internship Program to process paperwork to finalize the appointment
✓ Establish learning objectives through the Learning Plan Agreement form that identify specific responsibilities and measurement standards for success
✓ Complete assignments with good work habits and participate in apprenticeship events and activities
✓ Communicate with supervisor and co-workers in a professional manner (dress appropriately, be punctual, avoid personal phone calls and text messaging, etc.)
✓ Reflect upon and evaluate the work experience with the Academic Affairs Apprenticeship Program via the Apprentice Performance Appraisal Form and the Program Appraisal Form
✓ Contact Academic Internship Program if they wish to receive academic credit for their work experience
