CAREER TRACKS

Open House

What does Career Tracks mean for you?

What are the benefits of using Career Tracks?

How are job cards changing with Career Tracks?

What role in the decision-making process?

What are upcoming deadline dates that affect you?

Career Tracks enables UC to define job titles consistently within each location and across the university. Levels for individual contributor, supervisory and management roles within each distinct functional area are defined consistently across occupations and with the labor market for comparable jobs.

NO RSVP REQUIRED
