NGN Benefits

- "UCSD has the most sophisticated campus network in the country“, Jim Dolgonas, CENIC president
- Increased PI competitiveness
- Model encourages use of the network
- Sustainable model for equipment replacement
- Unlimited domestic long distance phone calls
- Improved email, spam, security, helpdesk
- Ubiquitous wireless coverage
NGN3 Services

- Continuing wireless enhancement
- New tools for security mitigation
- Support cloud computing
- Email/calendaring
- Upgraded ID management services
- 10G to many buildings
Cellular Coverage

- Coverage maps created by ATT
  - Specific needs for some buildings
  - 10 new mini sites

- Verizon improvements
  - In the works
“First day of Classes”

- Effort and projects to create a smooth day for our students
  - Sent staff out to survey students
  - Created method to cap servers to N people
    - Eliminated frozen servers
  - Moved common links to front page
    - Less movement on the site to get to important info
  - Updated error messages to make user friendly
Kuali Coeus

- Member of the Consortium
- The Kuali Coeus (KC) project is building a comprehensive system to manage the complexities of research administration that fully addresses the needs from the faculty researcher through grants administration to federal funding agencies

Kuali Rice

- Member of the Consortium
- Middleware development / architecture
Campus Web office

- Blink 2.0
  - Rewrite rolled out in 2010
  - Self Service
- University Content Management System
  - To manage any UCSD website
- UXT team (User Experience & Technology)

UXT experts are here to help.
Web, Security & Accessibility

- Emergency Protocols
  - Banners, messaging built in

- Electronic Accessibility
  - New Committee formed at UC level – UCSD chairing committee

- Secure messaging
  - New methods to contact students outside of standard e-mail
  - New portals in TritonLink
Mobile Framework Discovery Process
Reviewing Advising sites
TritonLink 2.0

- Redesign of Home page
- Content review and reorganization
- My TritonLink enhancements
- Update decorator for tools
Content Review

Card Sort – student feedback
Evaluate tab headers
Look at groupings of content within tabs

New page layouts
Drawers for long process pages
Remove TritonLink brand from content
Improved templates and styles

Ability to pull content from other sites

Resources
TritonLink team
CWO
MyTritonLink enhancements

- Designer working on distinct look
- Link back to content via tab
- Added features
  - Status updates
  - Messaging
  - Tools found from tab navigation
- Resources
  - TritonLink, CWO, ITAG
Current My TritonLink

- Parents & Families
- Fiesta De Las Estrellas
- College Programs
  (Global Justice, Law & Society)
Large Academic Applications

- eCourse
  - Allows courses to be defined and approved through an online workflow routing

- eGrades
  - Allows courses to be graded electronically

- Regulations
  - Constant improvements for internal and external regulation controls
Instructional Technology Fee

PROPOSAL

- $4 per unit fee applied to undergraduate courses effective Fall 2011.
- Fee is capped at 15 units per student per quarter
- 25% of fee revenue will be allocated to financial aid
- Fee will ramp up over a three year period at $4 in year one, $5 in year two, $6 in year three, and will be maintained at the $6 level at least through year 5 (AY 2016)
- Appropriate graduate courses will be incorporated into the fee structure in year two (AY 2013)
- An advisory committee will be established consisting of faculty and students to identify priority projects and develop a rolling five-year plan and annual budget.
Administrative Efficiencies

- Collaboration between UC campuses and Medical Centers
- Create standard processes
- Substantial investments in efficiencies
Applications of Note

- Academic Personnel OnLine (Review/Recruit)
- Marketplace – SciQuest
- Campus Asset Management System
- Transaction Sampling and Audit Profiler
- Index Management
- CCM – distribute/consolidate funds
- Payment Plus
- MyFunds
- HVPO – Webservice for info directly from IFIS
- eCourse, eGrades, TritonLink 2.0 development
Questions?

Since I became project manager, no one has returned my calls or responded to my e-mails.

Luckily, I'm an ACT graduate, mentally superior to most people on Earth, so I finished the project myself.

Are you tired?

I am trained to only sleep during national holidays.
