Beyond the Binaries: Serving Students of Diverse Gender Identities and Sexualities

**Date:** Thursday, June 23, 2016 | 10:00am – 12:00pm  
**Location:** Career Services Center – Horizon Room  
**Presenter:** Shaun Travers (Director, LGBT Resource Center)

**Description:** Beginning Fall 2015, the entire University of California system began collecting data on UC freshmen and transfer applicants to the nine undergraduate campuses regarding sexual orientation and gender identity through voluntary self-identification. With this process, UC San Diego has accumulated more expansive data on concepts relating to sexuality and gender. The University of California has moved away from binary gender options of Male and Female, and towards more inclusive gender identity options including Male, Female, Genderqueer/Gender Nonconforming, Trans Male/Trans Man, Trans Female/Trans Woman, and Different Identity. Come learn about what our incoming students have shared with us, and how it will impact YOU!

**Learning Outcomes:**
- Understand the categories of gender identity available to incoming students
- Understand the categories of sexual orientation available to incoming students
- Understand how this information will impact the VAC
- Understand the TritonLink tool for students to update personal information on social identity categories
- Be able to advise students from diverse gender identities and sexualities in a cultural competent way
