SUBJECT: Non-Senate Instructional Unit (Unit 18) Salary Increase

The University of California has issued new academic salary scales, effective October 1, 2009, for academic employees covered by the Non-Senate Instructional Unit (Unit 18). The scales are available online at <http://academicaffairs.ucsd.edu/aps/compensation/SalaryScales.htm>

Pursuant to Article 21 of the MOU, the new salary scales reflect the contractually prescribed minimum 3.0% increase, effective October 1, 2009.

PPS Implementation:

Departments should use the new pay scale rates for any Unit 18 appointments entered in PPS on or after September 10, 2009. For Unit 18 appointments entered prior to September 9, 2009, Academic Compensation will manually enter the salary adjustments.

Please notify the affected employees in your department that pay checks issued on October 30, 2009, will reflect the new Unit 18 pay rates.

Questions regarding the implementation should be directed to Mary Baran in Academic Compensation at (858)822-3748.
