

**DEPARTMENT CHAIR'S EVALUATION FORM  
2009 - 2010 HELLMAN FELLOWS PROGRAM**

The purpose of the **Hellman Fellows Program** is to encourage the career growth and development of non-tenured, general campus, ladder-rank faculty who show capacity for great distinction in their work. The awards substantially support the research and creative activities that will enhance the individual's progress towards tenure. Applicants should have completed at least 2 years as an assistant professor and they must have the assistant professor rank at the time the transfer of awards funds occurs. Applicants with less than 2 years are eligible to apply, however, they must show a significant level of productivity and independence.
