

DEI Course Mini-Grant Proposal

2017-18

This form should be accompanied by the DEI Response form, a proposed course syllabus, and an Academic Senate course approval form. The mini-grant program is meant to encourage the development of new DEI courses, or significant changes to current courses offered by Senate faculty. Eligible faculty will receive compensation of \$1,500 transferred to a departmental research account of your choice. The compensation is available for expenses such as travel, research supplies, seminar instruction enhancement, or any other purpose allowed by that account. A maximum of \$1,500 will be allocated to those courses selected for the grant, with up to 10 courses/year receiving funding for the next three years.
