COURSE DESCRIPTION (In concise catalog description style, 40 word limit)

The Freshman Seminar Program is designed to provide new students with the opportunity to explore an intellectual topic with a faculty member in a small seminar setting. Freshman seminars are offered in all campus departments and undergraduate colleges, and topics vary from quarter to quarter. Enrollment is limited to 15-20 students, with preference given to entering Freshmen.

Prerequisites: none

**ENFORCEMENT** List prerequisites and other restrictions to be enforced by computer (see instructions).

Prerequisites that must be completed: none

Prerequisites that may be concurrent: none

Corequisites (must be concurrent): none

Other restrictions: Enrollment priority will be given to Freshmen. Seminars are open to Sophomores, Juniors, and Seniors on a space available basis.

Special course characteristics. Check all boxes that apply and see instructions for required explanations.

Use of animals
